Calculus An Intuitive and Physical Approach by Morris Kline

April 20th, 2011 - I only got up to Calculus II in school but I did enjoy this regardless Through a second reading I can say that I really like the practical approach taken for this book One chapter will introduce a concept and the next chapter will apply it to a physical situation

Calculus An Intuitive and Physical Approach Morris

November 4th, 2018 - From those examples he explains calculus geometrically He seems to want his students to grasp the subject Instead of the artificial 1st semester differentiation 2nd semester integration structure imposed by most text books Kline introduces both throughout the book and entwines them To my re learner s perspective this was a stunning approach
